2017-2019

SSLC
Vishwaprakash Central School CBSE , Thirumala
2016-2017

PROFILE

A motivated B.Com graduate with hands-on experience in Java development using Java Swing, HTML, and CSS. Currently exploring Spring Boot for backend development, with a passion for learning and applying new technologies. Seeking an internship in Java Spring Boot (Backend) to gain practical experience and contribute to real-world projects.

WORK EXPERIENCE

Sales Promoter   2023-2024
Becca Rose Perfumes And Beauty Products

- Managed client relationships, achieved sales targets, and provided excellent customer service.
- Gained strong interpersonal and communication skills while working with diverse teams and customers.

PROJECTS

Simple Spring Boot Application
Personal Project – Ongoing

- Building a basic Spring Boot application to manage user data and perform basic CRUD (Create, Read, Update, Delete) operations.
- Exploring dependency injection and Spring Boot configurations.

Java Calculator (Java Swing)
Personal Project – Finished

- Developed a fully functional calculator using Java Swing for the user interface.
- Implemented basic arithmetic functions such as addition, subtraction, multiplication, and division.

Java Chess Game (Java Swing)
Personal Project – Finished

- Designed and developed a chess game using Java Swing, incorporating movement logic for various chess pieces like Pawn, Rook, and Queen.
- Built a user-friendly graphical interface using AWT and Swing libraries.

STRENGTHS

- Strong foundational knowledge in Java and Swing for desktop application development.
- Quick learner, eager to explore and apply new technologies in backend development.
- Excellent communication and problem-solving skills, developed through sales and technical projects.
